Closing Remarks and Thank You

Steve Luby, MD

Michele Barry, MD, FACP, FASTMH

2:15—3:00 pm

Poster Viewing & Networking

Keynote Speaker

ANNA STEWART-IBARRA

Dr. Anna Stewart-Ibarra is the Executive Director of the Inter-American Institute for Global Change Research and an expert on climate and health in Latin America & the Caribbean. Dr. Stewart-Ibarra's research has focused on understanding climate, environment and social drivers of vector-borne diseases & other dimensions of human well-being in Latin America & the Caribbean. For more than 14 years, she has collaborated with academic and government institutions in the region to conduct community-based social-ecological, epidemiological, & modeling studies.
